Nine MSU Students Want Commissions in Air Guard

The AFROTC department announced yesterday that nine MSU air cadets want a commission in the Air National Guard under the

provisions of a new joint commissioning plan of the Air Force and Air National Guard.

They are Edwin Erickson, Havre; Bill Jones, Miles City; Quentin Marino, Red Lodge; Bob Peden, Great Falls; Bob Potter, Libby; Jack Ryan, Wyckoff, N. J.; Dick Solberg, Missoula; Robert Walkup, Missoula; and Robert Wallace, Great Falls.

Until recently, air cadets who could not qualify for flight training were scheduled to receive certificates of completion. Now that the Air National Guard has a demand for trained junior officers in such fields as supply maintenance, administration, operations, personnel, engineering, and finance, commissions can be offered.

The new joint plan calls for three years of service with the active Air Force, unless relieved before that time, and an additional three years of active participation in an Air National Guard unit.

Should the tour of duty with the active Air Force be less than three years, the officer would be required to make up the remainder of the time with the reserve unit.

Cadets who are accepted for this plan will be ordered to duty in four quarterly increments.

Summer School Offers Last Chance for GI Aid

Summer school, which starts in a few weeks, will offer the last chance for post-Korean veterans to start training under the Korean GI Bill, according to C. N. Lindsay, contact representative for the veterans administration.

Veterans who were discharged before August 20, 1952, and have not yet started training must have actually begun an approved program before August 20, 1954 or their chance for GI schooling will be gone for good. The ruling applies to job training programs also.

The deadline applies only to post-Korean veterans who were discharged on or before August 20, 1952. Veterans separated after that date have two years from the time of their release to begin.

Spaulding, Forestry Professor To Retire in September

Thomas C. Spaulding, professor of forestry, and former dean of the forestry school, will retire this September. A 1906 graduate of the University, he returned to join

the forestry faculty in 1915, and was appointed dean in 1923.

Spaulding, one of seven retiring faculty members, received a B.S. degree in pre-medicine from MSU and a master's in forestry from the University of Michigan. He served with the Army engineers during the first world war as an engineering officer.

Spaulding has been chairman or held other offices in the Forestry Conservation and Experiment station, Northwest Scientific association, Northwest Branch of the American Association for the Advancement of Science, Society of American Foresters, Hoo-Hoo (international lumbermen's association) and Phi Sigma Kappa fraternity.

He also has been technical adviser for several state and regional groups on planning, chairman of the state forestry resources committee, and vice chairman of the forestry division of the National Resources council for the Pacific Northwest Planning Board.

Mrs. Spaulding is a Montana graduate with a bachelor's degree in biology. Two sons, Kenneth and Albert, are also University graduates.

Square Dance Festival Attracts Sons of Pioneers

The Sons of the Pioneers will be featured at the annual Square Dance festival, July 8, 9, and 10 during summer session at MSU.

Bruce and Shirley Johnson, Beverly Hills, Calif., will be masters of ceremony at the dance.

The festival will be sponsored by MSU and the Missoula Federation of Square dance clubs and is a regularly scheduled event in the Roundup of the Arts.

Ft. Lewis, Wash., will be the site for the 1954 ROTC summer camp for 38 of the 41 junior and senior Army ROTC students who will receive six weeks' military training. The camp will last from June 19 to July 31.

The three other cadets will attend camps at Ft. Sill, Okla., Ft. Leonard Wood, Mo., and Aberdeen Proving Grounds, Md., for the same period.

Senior cadets who will receive infantry training at Ft. Lewis are: Boyd F. Baldwin Jr., William H. Demmons, Bill H. Galpin, Harry W. Griffiths, Edward D. Hart, Richard L. Imer, Skulason Moe, James W. Murray, Martin W. Onishuk, Ronald G. Osterholm, Kenneth G. Reynolds, and Rudy J. Stoll.

Three more seniors attending other camps are: Elbert B. Hill, engineers' camp at Ft. Leonard Wood, Richard V. Clearman, artillery at Ft. Sill, and Donald B. Scothorn, ordnance camp at Aberdeen Proving Grounds.

'bout the Size of It

Seniors and other students who will not be here to receive their 1954 Sentinels are again urged to pay a 50 cent mailing fee to the Student Union business office, according to Chuck Jacoby, 1955 business manager.

Several copies of Venture, the campus magazine, are still available for students, according to Joan Kilburn, Ovando, editor.

Copies are paid for in student activity fees and may be obtained at the Student Union coke store.

Students who wish to have their spring quarter grades sent to them must leave a standard size, business envelope, self addressed and stamped, Mrs. Emma Lommasson, assistant registrar said today. Grades will only be sent in the 4 x 9 1/2 inch envelope, and not in a smaller size.

Chemistry department faculty members and their wives gave a farewell dinner last night at the Happy Bungalow for Dr. Richard Jesse, who is retiring this year as MSU vice-president.

The Mountain club will meet tonight at 7 p.m. in the Eloise Knowles room. Mountaineers interested in joining the club are urged to attend the meeting.

Lutheran students will have a 9:30 p.m. coffee hour tonight at the Chimney Corner den. Slides will be shown during the meeting.

Student Faces Uncertainty As to Control of Native Land

By BILL HEINTZ

In three months Joseph Hien of Phat Diem, Viet Nam will be leaving the U. S. By the time he reaches home, it may be in Communist hands or his country may be divided in a new partition plan. Because of such a situation Hien expresses some pretty strong statements in regard to Indo-China.

Hien is an exchange student studying Economics at MSU. He fought in Indo-China for two years prior to coming to the U. S. This is the second part of an interview.

"A partition plan can be of benefit only to smugglers and Communists and amounts to the selling out of hundreds of thousands of Vietnamese who have fought for their country," Hien said. "The partition offers only another chance for France to have a permanent stalling point in not granting my country independence."

Hien, again showing a lot of his strong nationalistic feeling similar to that expressed in a TIME article last week, stressed that if the French will not fight to win in Indo-China, let them get out leaving the natives to win the war.

Of course there is always the

problem too of Red China intervening but if she did, the Red River delta would still be lost immediately even with American boys thrown in. "In fact," the exchange student pointed out, "if Red China would come into the delta, another Dunkirk might result for no avenue of escape is available except the sea."

The question was then asked of Hien if he thought his country was ready for independence? Drawing a long breath he answered slowly: "The important thing here is the principle — not the measure of readiness which is very controversial. Was Indonesia ready when independence was granted through U. S. pressure?"

The final question asked was his opinion of what U. S. policy should be for Indo-China. He listed three points: 1- pressure must be put on France to grant us our independence, 2- larger and better trained national army with U. S. advisors and 3- continued arms aid-program which would go directly to the Indo-Chinese army and not the French.

The tip of his half burned cigarette again glowed brightly as he inhaled deeply and said, "With such a policy we shall again have the spirit to win!"

Cowboys Take Skyline Crown With Triple Win Over Montana

Last week end the Grizzly baseball team suffered its first triple defeat since the start of the season at the hands of the rampaging Wyoming Cowpokes, losing the three game Skyline conference title series 6-0, 5-2, and 7-6.

Montana's expected weakness turned out to be its strength, when the injury ridden Grizzly hurling corps limited the powerful "Poke" sluggers to 24 hits over the three game stretch. And, conversely, the Silvertip hitting potential failed to materialize during the series as three Wyoming

chuckers held the Grizzlies at bay by issuing only 16 hits.

The Grizzlies stranded 21 runners on the base paths and Wyoming left 26 on. Montana garnered only two extra base blows, a triple by Caine and a double by Anderson.

Wyoming's fielding play was nearly flawless, with only five inconsequential errors committed. Jingling, Propavak, and Napierkowski robbed the Grizzlies of several sure hits.

Dahlberg, Lory Named Directors of Skyline

George P. "Jiggs" Dahlberg has been selected by Skyline conference athletic directors as president and Glenn Jacoby of Wyoming re-elected secretary of Skyline athletics at Denver Saturday.

Dr. Earl Lory of Montana was elected by faculty representatives as their president for 1954-55.

The conference turned down a proposal of the basketball coaches for spring practice and voted a revision in football contracts among member schools.

The football contracts for member schools was revised to give home teams 60 per cent of the receipts and visitors 40 per cent. The home teams have to pay all expenses for officials and stadium operation. Formerly the contracts were on a 50-50 basis with both teams sharing the expenses.

BELLIS PLACES FOURTH IN SKYLINE GOLF MATCHES

Bud Bellis, Grizzley golfer, placed fourth in individual play in the conference matches in Denver over the week end. MSU did not have a full team of four so they could not place in the team standings.

The tennis team of Dick Fletcher, Dick Solberg and Bill Jones did not score in their matches.

Conference Track Meet Places Montana in Tie for Third

By JIM HASLIP

Utah University's depth and balance were all that were needed in the conference trackmeet in Denver Friday and Saturday. The Redskins had a total of 52½ points for an 11½ point lead over second place Brigham Young University.

Montana tied for third with two other teams, Colorado A&M and Wyoming, with 32 points. Utah State had 16, New Mexico, 13½ and Denver, 6.

Montana athletes set two university records. Ray Dunn broke his own record of 6'4" with a winning mark of 6'6¼". His three tries at the conference record of 6'7" failed. Bob Hudson, in winning the broadjump, broke the university record of 23'5½" made by Joe Luckman in 1950, with a leap of 23'6¾".

Colorado A&M's fleet sprinter Alex Burl edged Don Brant in both the 100 and 220. Jim Schell of Wyoming beat Bob Beach with his final throw. Ritch Johnson finished fifth in the quarter, Connie Orr fourth in the low hurdles, Bob Hudson fourth in the high hurdles, Ed Stocking fifth in the javelin, and Bob Beach fifth in the discus. The Montana relay team of Johnson, Archibald, Rowland and Brant was third.

Although Utah only won three first places, they placed heavily throughout the events. Brigham Young's chances went down the drain when Harry Anderson, sprinter, was ejected from the 100 yard dash for jumping the gun twice, and when Lundell became sick before the meet. Lundell won the Western division mile and two mile.
